

Dear Tennessee Valley Woodworkers,

The Coffee County Children's Advocacy Center is a registered 501(C)(3) non-profit organization (ID: 05-0597501) that provides a safe, neutral and child focused facility where children who have been abused can be interviewed and where the victims and their families can be provided with services they may need. All services are provided to children and the non-offending families free of charge.

On Friday, April 20th, we will be hosting our annual fundraiser featuring live music, dinner, and a silent and live auction at the Manchester-Coffee County Conference Center. Our theme this year once again is "Party with a Purpose," and we anticipate 200 attendees. All proceeds from this event will go directly to supporting the needs of the Coffee County Children's Advocacy Center. The Children's Advocacy Center has served over 3,450 children who were abused since opening our doors in 2005. Additionally, we have provided prevention education in the schools to over 18,640 children.

We are respectfully asking you to consider donating an item for our auction. Any help you could provide would be greatly appreciated.

Thank you for considering this request. Please feel free to call me at 931-723-8888 or email me at heather@coffeecountycac.org should you need any more information or if you have any questions.

Sincerely,

Heather Kleinfeld
