

It is with sadness that I am informing you of the death of one of the Tennessee Valley Woodworker club's long-time members.

Ross Roepke passed away on Tuesday March 13th .

He became a member of the club in 1991 and was an active member until he was unable to attend meetings.

Ross was a mentor to many club members over the years. He was an expert in turning out many pieces of fine furniture.

As per Ross' request, his body is being donated to science.

As such, there will not be a service planned for Ross at this time. There will possibly be a memorial service at a later date.

Please keep the Roepke family in your prayers.

He will be missed by all who knew him.
